Enjoy the lifestyle of open kitchen, living and dining, with a private flex room for additional living or office space if you choose. The walk-in storage is being used as a huge pantry. There is more storage under the stairs and an outside lock up off the balcony. Upstairs you will find two bedrooms, both with ensuites and a bonus room, again great for a den or office. The laundry/linen room is also upstairs off one of the ensuites. Don't miss that wonderful primary walk-in closet built for optimal organization. If you have an extra toy, there is an option to purchase a third spot at the moment, but won't last long! The dining area opens to the balcony which has a gas hook up for your spring bar-b-ques, or curl up in front of the fireplace on a chilly evening, this home has it all. The Landings is a pet friendly community with a great condo association. Geo-thermal heat is not just eco friendly, but easy on the pocketbook, keeping condo fees lower than most.
