Back inside, the living room boasts a built-in gas fireplace, adding warmth on those crisp fall evenings. The maple mantel and elegant tilework create a harmonious focal point in the main area. Ascend the beautifully lit stairs and take in the open design that enhances the home's overall charm.

Upstairs, a versatile flex space awaits—ideal for a play area or home office—along with a spacious bonus room featuring vaulted ceilings

and abundant natural light. This bonus room also includes another built-in gas fireplace with a display area for your cherished artwork. The primary bedroom is a true retreat, flooded with natural light from an oversized window and boasting a luxurious five-piece ensuite complete with a corner tub, walk-in shower, double sinks, private toilet area, and a walk-in closet.
