Welcome to 146 McConachie Crescent â€” the total package!

This updated bungalow in the heart of Dickinsfield checks all the boxes â€” 5 bedrooms, 2.5 bathrooms, a fully finished basement with a separate entrance, a heated double garage, and loads of parking for all your toys.

Sitting on an oversized 6,216 sq ft. Lot, youâ€™ve got a long concrete driveway that can fit multiple vehicles, plus room for your RV, boat, trailer â€” you name it. The garage is heated, has 220v power, workbenches, and shelving already set up.

Over the last two years, this home has seen some serious updates:

- â€¢ New shingles (2022)
- â€¢ New sliding glass door and side window
- â€¢ Fresh grey and black exterior paint
- â€¢ New luxury vinyl plank floors
- â€¢ New stainless steel appliances
- â€¢ New light fixtures
- â€¢ Fresh paint throughout

Inside, the kitchenâ€™s been freshened up with painted cabinetry, a custom epoxy countertop that really pops, a white tile backsplash, and new gray tile floors. Off the kitchen, youâ€™ll find a new patio door that leads you out to a levelled concrete patio â€” ready for summer hangouts.

The main floor offers three bedrooms, including the primary bedroom with its own updated 2-piece ensuite. The main bathroom’s been completely redone, too, featuring a floating vanity, LED mirror, tile-shrouded tub, and black fixtures for a modern look. Bonus: there’s even a 2-in-1 washer/dryer right on the main level to keep things easy.

Tucked behind a custom barn door, you’ll find access to the basement, where the upgrades keep coming. Downstairs offers two more good-sized bedrooms, a family room, a wet bar/kitchenette with full fridge and cabinetry, a second laundry hookup, and another updated 4-piece bathroom. It’s a perfect setup for roommates, family, or even guests who want their own space.

The backyard is fully fenced, there’s a storage shed, and the garage is ready for whatever you need—tools, projects, or just keeping your truck warm in winter.

You’re also steps away from Birchwood Trails, parks, schools, and a handy little shopping plaza with a convenience store, gas station, pizza place — everything you need close by.

If you’re looking for an affordable, move-in-ready home with many updates and plenty of space, this is the one.
