FULLY DEVELOPED LEGAL SUITE INCLUDED !!! Welcome to 33 Bartlett Way SE, a thoughtfully finished home offering over 1,800+ square feet of above-grade living space plus a fully developed legal basement suite, all set in the heart of Rangeview, Calgaryâ€™s first and only Garden-to-Table community. Built by Daytona Homes, this property delivers both comfort and long-term value with a layout designed for todayâ€™s lifestyles and tomorrowâ€™s possibilities.

Step inside and you're greeted by a welcoming foyer at the front of the home, with a two-piece bathroom positioned between the entry and the mudroom, which connects directly to the double attached garage. From the mudroom, a walk-through pantry brings you straight into the open-concept kitchen, offering plenty of prep space and storage. A large central island with a flush eating bar anchors the space, overlooking the dining nook and the great room, where oversized windows bring in natural light and create a warm, inviting main floor.

Upstairs, youâ€™ll find three bedrooms, thoughtfully laid out to balance privacy and connection. The primary suite is a private retreat, featuring a five-piece ensuite with dual sinks, a separate tiled shower, a freestanding soaker tub, and a generous walk-in closet. Two additional bedrooms share a well-appointed four-piece bathroom, and a

dedicated laundry room adds convenience to daily routines. A bonus room tucked into the corner of the upper floor creates flexible space perfect for a TV room, reading area, or playroom.

The real value continues below with a fully finished basement featuring a legal suite. This level includes a bedroom, a full four-piece bathroom, a well-equipped kitchen, and a cozy living room, an excellent option for extended family, guests, or rental income.

Outside your door, Rangeview offers a lifestyle unlike any other. Designed around the concept of community-based food living, residents enjoy access to shared garden plots, orchards, a central greenhouse, and seasonal farmersâ€™ markets. With scenic pathways, parks, playgrounds, and a layout built for connection and sustainability, Rangeview encourages residents to grow, share, and build lasting relationships with their neighbors.
