This house is a total gem in Belmont with over 3200sqft of developed space and no HOA fees, backing onto a quiet path that leads to a park just a few doors down, and loaded with features that make everyday living feel just a little more awesome. It's south-facing, which means your home is flooded with sunshine all day, and the solar panels help you save over 50% on electricityâ€"hello, lower bills. Step inside and you're greeted by custom built-in shelving in the entry (finally, a place to drop your keys that actually looks good). The vinyl plank flooring throughout the main level is stylish, waterproof, and made to handle real life. There's a big office for your work-from-home days and a half bath that's straight out of a design magazine with trendy wallpaper. But waitâ€"it gets better. The third-floor loft is over 350 square feet of flex space perfection, complete with its own half bath and a balcony with downtown views. Whether it's a games room, teen hangout,

or chill-out zone, it's got major "cool factor.― Downstairs, there's another big living space, a wet bar area with a sink and room for a beverage fridge, a spacious bedroom, and a mechanical room with all the efficient upgradesâ€"HRV system, high-efficiency furnace, water softenerâ€"you name it.
