Residential on 0.10 Acres

Christie Park, Calgary, Alberta

Opportunity knocks in Christie Park! This is your chance to own in one of Calgary's most sought-after SW communities with a home full of potential. With over 2,800 sq ft of developed space, including a fully finished walkout basement, this 5 bedroom, 3.5 bath property is a true 'fixer upper' ready for transformation. The main floor was updated previously, featuring rich hardwood throughout. A spacious front foyer welcomes you in, leading to a bright family room with a large window that overlooks the front porch. The living room is sprawling in size and features a cozy wood burning fireplace – perfect for those cold winter nights. The kitchen offers ample storage with warm maple cabinetry and great layout potential. A main floor office (or formal dining room), convenient half bath, and main floor laundry complete the level. Upstairs, renovations have already begun – the space has been mostly gutted, giving you a head start to create your dream layout. The second upstairs bathroom is already updated, and the primary ensuite is mid-reno and waiting for your finishing touches. The walkout basement offers two more great sized bedrooms, a full bathroom, and plenty of additional living space with a dry bar for entertaining. But the real showstopper? The lot and location! Set on a large lot with mature trees, and no rear neighbours, this home overlooks 17th Avenue with city and downtown views. Steps from the Sirocco C-Train, across from Sunterra Market and

other great amenities and a 2 minute drive to Westside Recreation Center and Ernest Manning High School, this is a rare find. Ideal for builders, flippers, or handy buyers! This is your opportunity to create something truly special.
